### **COURSE DESCRIPTION**

This is a capstone educational experience focusing on current topics in the Athletic Training Profession and career development issues.

### **COURSE OBJECTIVES**

At the completion of this course students should be able to:

- 1. Demonstrate understanding of the roles and responsibilities of an entry-level athletic trainer;
- 2. Demonstrate an understanding of the educational requirements to become an athletic trainer;
- 3. Identify the eligibility requirements for the Board of Certification Examination in Athletic Training should a student desire
- 4. Identify the professional organizations related to Athletic Training, and explain the relationships of these organizations to Athletic Training;
- 5. Evaluate the accepted guidelines, recommendations, and policy and position statements of professional organizations applicable to Athletic Training;
- 6. Demonstrate an appreciation for evidence-based practices in healthcare and Athletic Training; and
- 7. Synthesize athletic training theory, clinical techniques, and relevant research to inform professional practices as an athletic trainer.

## **COURSE OVERVIEW**

This didactic course will offer students the opportunity to synthesize advanced Athletic Training theory and evidence based practices, clinical techniques, and foundational behaviors of professional practice necessary for successful practice as an entry-level athletic trainer. Students will also have opportunities to develop an understanding of the necessary requirements for continued professional growth, and learn the roles and responsibilities of an athletic trainer.

#### Attendance

Students are expected to be on time, attend all class meetings and be prepared for in class assignments and projects. Excused absences include the following: illness (must bring a receipt or note from a doctor), family death, athletic/academic event, and others at the discretion of the instructor. For known upcoming absences, students must contact the instructor at least one week in advance to the missed class to make up work. In the case of illness or some other unforeseen absence, the student must contact the instructor via e-mail or telephone. At the next attended class meeting the student will discuss material that is to be completed. It is the student's obligation to pursue any make-up work.

# **Alternate Schedule**

This course may have professionals from the field as guest speakers. Due to their professional responsibilities, guest speakers may not be able to attend a scheduled class time. Therefore, this course may require meeting outside of regularly scheduled class times and/or travel to sites off campus. Students will be informed of such meetings one week in advance of the scheduled class meeting. Students will be expected to arrange transportation to and from the meeting site.
