COURSE DESCRIPTION

This lecture / seminar course will focus on the professional management and administrative issues in athletic training. Organization and administration topics will include the preparation in planning, designing, developing, organizing, implementing, directing, and evaluating an athletic training health care program and facility. Current issues in athletic training related to professional conduct and practice will also be discussed.

COURSE OBJECTIVES

The student will be able to:

1. Discuss the history and evolution of the athletic training profession;
2. Define the role of the Athletic Trainer as a member of the allied health community;
3. Describe confidential management of medical records;
4. Design an athletic training facility consistent with health and safety guidelines;
5. Develop an operating budget;
6. Demonstrate risk management assessment;
7. Discuss the policies and procedures associated with human resource management that protect employees and employers;
8. Compare and contrast the current trends in billing for athletic health care, including types of insurance systems, potential for 3rd party reimbursement, and claims management;
9. Discuss how injury surveillance is used in the management and care of the physically active;
10. Plan an athletic health care program, including annual pre-participation physical examinations and drug testing programs;
11. Explain basic legal concepts as they apply to a medical or allied health care practitioner's responsibilities (e.g., standard of care, scope of practice, liability, negligence, informed consent and confidentiality, and others);
12. Discuss current trends in athletic training state regulation;
13. Differentiate between ethical / unethical conduct in athletic training practice; and
14. Appraise the personal and professional issues that both limit and advance professional standing.

Hybrid Course

This course will meet every Monday in a formal classroom and an on-line component will be available throughout the week.

ATTENDANCE

Students are expected to be on time, attend all class meetings and be prepared for in class assignments and projects. Excused absences include the following: illness (must bring a receipt or note from a doctor), family death, athletic/academic event, and others at the discretion of the instructor. For known upcoming absences, students must contact the instructor at least one week in advance to the missed class to make up work. In the case of illness or some other unforeseen absence, the student must contact the instructor via e-mail or telephone. At the next attended class meeting the student will discuss material that is to be completed *within one week of the absence*. It is the student's obligation to pursue any make-up work.

TECHNOLOGY USE DURING CLASS

As per GMU policy, all sound emitting technology is required to be turned off during the class meeting time. Additionally, *no laptop computers* will be permitted for use during class time; the only exception is for use during presentations and projects.

E-MAIL CORRESPONDENCE

Only messages that originate from a George Mason University address will be accepted. The following is an appropriate professional format:

Dear Mrs. Hunter (*Beginning salutation*)
